Hanh – Likewise. Here is what we have for an agenda. We should have a response for EPA's questions on the MLC ROV system shortly as well.

Regards,

Greg

## **EPA NPDES Exploration General Permit**

### **Technical Meeting – NOIs, EMP, & Mudline Cellar Alternative Meeting Agenda**

#### **Introduction**

- People / new roles and responsibilities
- 1. Tracey Anderson – Project Lead

Hi Greg,

I am looking forward to seeing you on October 9. Please send a draft agenda and the Shell attendees for the meeting. Also, do you know when we should expect to have the modeling reports?

Thanks,

Hanh

**Subject:** Notices of Intent - EMP

Hanh,

Please find attached Shell's Environmental Monitoring Plan (EMP) and associated Appendix A and Appendix D. Please accept as a pre-read for the meeting planned for 9 October. Please note that Appendices B and C are modeling reports and are not included in this pre-read package. Please feel free to contact me should you or others wish discuss the contents of these documents ahead of time.

Regards,

Greg
